THIS RAMADAN, **TURN COMPASSION INTO ACTION**

For families across Palestine, Ramadan arrives amid hunger, displacement and loss.

Your support helps deliver food to more than 145,000 people in Gaza and the West Bank, sustain families through critical Ramadan food distributions and create moments of dignity and relief for children during Eid.

This is more than a meal.
It's relief for parents.
Joy for children.
Dignity for families.

Give where it matters most.
